## An Important Message from Ms. Shafer

Acting Superintendent Eileen Shafer has prepared a special video message regarding 2018-2019 budget planning process.

## Providing Sexual Harassment Training

The district Affirmative Action Supervisor, Houry Yeganeh, recently conducted sexual harassment training for building-based Affirmative Action Representatives. The session was filled with information pertaining to laws, liabilities and related policies, procedures and the investigation process. The session also included student testimonies, videos, scenarios and group interactive activities. Building-based Affirmative Action Representatives are staff members who go above and beyond to assist their school leader, the Affirmative Action Supervisor, by investigating student-on-student discrimination cases, relating Affirmative Action related policies to their peers and ensuring the program is implemented effectively. The building-based Affirmative Action Representatives pass along the information garnered to their colleagues for turnkey implementation.

## School 27 Got their Pink On

Last Thursday, over 900 students from School 27 participated in the school's annual, "Walk to End Breast Cancer." The entire school "got their pink on" and marched together around the block in solidarity with the fight to end breast cancer. Many students and staff donated to this worthy cause, and accumulated \$385.00 for the cause. Each donor received a pink ribbon pin and wore them proudly. Many students shared their own personal stories of loved ones who have been affected by this terrible disease.

At School 10, in celebration of *Red Ribbon Week*, Mrs. Barth and Mr. Torres 1st Grade Classes along with SAC, Mrs. Smith, wore sunglasses for "Shade out Drugs Day" to show their Titan Spirit!

**Effective Academic Programs • Creating & Maintaining Healthy School Cultures  
Family & Community Engagement • Efficient & Responsive Operations**
