

The Paterson Public Schools Mathematics Department
presents...

The 2017-18 Math Olympiad

Thursday June 7, 2018

9:30 a.m. to 1:30 p.m.

Charles J. Riley School # 9

6 Timothy Street

Paterson, NJ 07503

The Math Olympiad is a unique district wide academic competition that provides our highly motivated mathematics students with an opportunity to demonstrate their mathematical proficiency, skillful problem solving and teamwork. The competition will feature Grade 6, 7, 8 and Grade 8 Algebra I teams from each school answering rigorous multiple choice questions in the initial rounds and working on higher level tasks in the final round of competition.

Please come and support our Middle School Math Olympians!

Call or email the Mathematics Department with any questions or concerns.
